Mr. John J. Collier,
1520 Spruce Street,
Philadelphia, Pa.

My dear Sir:

I beg to acknowledge receipt of your letter of February 4th and thank you very much for your very prompt response. I am supposed to be in New York City around Feb. 20th and if possible I will stop by and see you on my return home. My son, Mr. D. C. Collier has been in Europe since last October and is expected to sail for New York on Feb.14th. I am to meet him at that time.

I note the clipping sent me from the public ledger of Mr. D. C. Collier and beg to say that I am personally acquainted with him, having met him in New York at the Pennsylvania Hotel some three years ago. My son was with me at the time and both of them having the same initials, their mail got mixed in hotel handling. He has the appearance of being a wonderful organizer. We have also had several letters from him at different times, one while he was in Brazil looking after the U. S. at their exposition.

With sincere regards I beg to remain

Yours respectfully,

JCC/mjc
